What data did you use? Include datasets, APIs, or synthetic data. If synthetic, explain how it was created.

☐ * We confirm that all team members are currently enrolled students (high school, undergraduate, or graduate) or have graduated within the past 12 months, and that our primary role is as a student, not as a full-time AI or technology professional.

☐ * If any team member is under 18 years of age, a parent or legal guardian must complete the USAII Parental Consent Form before that team member may participate. By checking this box, we confirm that either (a) all team members are 18 or older, or (b) all team members under 18 have a completed parental consent form on file at:
